

Sciences Po ranked #1 in QS Graduate Employability Rankings in France and the EU.

QS 2025

EMPLOYMENT OUTCOME
SCIENCES PO RANKED:

#1

**BEST FRENCH
UNIVERSITY
& IN THE
EUROPEAN UNION**

#30

**BEST
UNIVERSITY
IN THE WORLD**

This is one of our favorite annual events: the **QS World University Rankings**.

[The 2025 edition](#) is the most comprehensive ever, featuring 1,500 universities across 105 higher education systems. Sciences Po stands out in the category of "**graduate employability and career prospects**", ranking **1st in France and the European Union**, and **30th globally**.

This result is well-deserved: **9 out of 10 graduates** who decided to enter the job market were **employed within 18 months**, and **87%** of them even found their first job within six months of graduation. **47%** of our master's students were even hired **before graduating!**

(Re)discover the [full 2023 survey](#) conducted 18 months after the graduation of the class of 2021.
