

AT THE JOB FAIR, THE ALUMNI WILL ADVISE YOU ON YOUR CAREER MANAGEMENT AND YOUR NETWORK EXPANSION

In the context of its presence at the Fair, Sciences Po Alumni gives you the opportunity to meet around fifteen HRD, coaches and professionals from the business world, all graduates from Sciences Po and from across all generations. During the Forum, they will listen and help you jumpstart your career, while giving you some advice on how to expand your network.

Alumni networking space, what goals

The day of the Fair, in the Alumni space, you can ask former Sciences Po students, your « alter egos » with professional experience, all the questions which you might not dare ask, to help you in your orientation.

How does it work ?

Each student can talk with an alumni and one or two students maximum for 10 to 15 minutes.

How do I register ?

Registration is on the spot, directly at the Alumni Space (be careful, the number of spots is limited).

Who will be the participating practitioners ?
