

Take part in Sciences Po Career events in 2022

Each week, Sciences Po Careers, in close collaboration with the 7 Sciences Po Graduate Schools, offer students the chance to explore the many career opportunities after Sciences Po: meetings with graduates, company presentations, recruitment Fairs, job offers, etc. You are a student, a graduate or an employer...mark your calendars!

Each thematic career week includes :

- Career roundtables with Sciences Po graduates from the 7 schools.
- Employer presentations
- Highlighting of current internship/job offers

Calendar of upcoming events:

April 4-8, 2022

- Africa Career Week
- Africa Online Careers Fair

April 11-15, 2022

- Cultural Careers Roundtable
- Roundtable on Health Careers
- Sports Roundtable

April 18-22, 2022

LEARN MORE

You are an employer:

Would you like to present your company during a thematic week? Or would you like to participate in a round table?

Contact: [Caroline Toussain](#), Career Events Manager

You are a student:

- More information will be sent to you in your Career Newsletters.
- Keep up to date with the latest career news by joining our Sciences Po Careers Group on LinkedIn
- Are you passionate about a topic? Moderate a career roundtable!

Contact: [Audrey Schuler](#), Head of Communication and Events

You are a graduate:

- You can take part in a career roundtable or create a portrait to inspire our students and share with them your missions, career path, typical day and, above all, your advice for success.
- You can inform your employer of current events and invite them to participate.

Contact: [Audrey Schuler](#), Head of Communication and Events
